## **CERTIFICATE**

## OF COMPLETION FOR THE DEEP LEARNING BOOTCAMP

THIS CERTIFICATE IS AWARDED TO

## **Erdem Okutan**

You have earned this certificate by actively participating in live sessions, completing self-paced coursework, and successfully collaborating with your teammates to develop a classification project using the Kaggle dataset. Through this project, you demonstrated proficiency in data preprocessing, model training, evaluation, and hyperparameter optimization.

**DATE: OCTOBER 2024**
